Home design and architecture should incorporate the need for functionality and easy living. Nulmage Awnings go hand-in-hand with style and practicality to offer the utmost in shaded comfort. No matter how hot the weather, you can utilize your Nulmage Awning with ease and peace of mind to fully enjoy your outdoor living space. Series 8700 is made to your exact specifications and installed by one of our independent awning professionals.

Relax & Enjoy

Series 8700

Choose from a wide selection of motors and controls to make your awning completely automated.

IMPORTANT NOTE! Your new awning is intended as a protection against the sun only. It is not to be used during periods of strong wind, rain, hail, or snow.

The Series 8700 Retractable Awning has an attractive look that makes an elegant statement. It is designed to provide shade without any unsightly poles to detract the view or passage. When you don't need your awning for shade, simply press a button with the optional motorized remote. It will retract to blend with the lines of your home's exterior.

Stay Cool

Your home is an expression of your unique style. Nulmage Retractable Awnings offer that perfect blend between fashion and function. Our awnings elegantly enhance the quality of your home. Whether you want to make a bold statement or simply have your awning blend with your home, we offer over 200 beautiful fabric patterns and styles. Distinctive homes and discerning homeowners deserve a premium awning. With excellence in every detail, you will enjoy Series 8700 everyday.

Warranty:

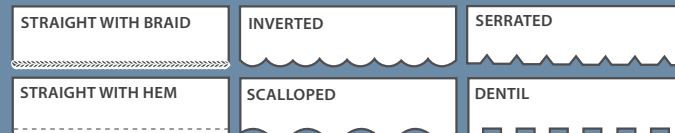

See www.nuimagepro.com for warranty details by model.

Powder Coated Frame Colors:

**Low-gloss finish*

Valance Styles:

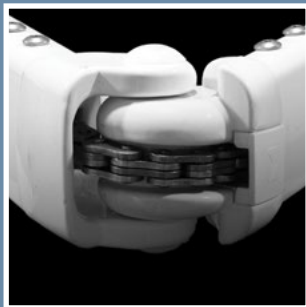

Welded Seams vs. Stitched Seams

NuImage welded fabric seams look better and outperform stitched seams. They are virtually invisible, lay flatter, roll smoother, never let light through and will last for the life of the fabric.

Features & Options

Premium built arms with stainless steel chain tension system, with stainless steel hardware and fasteners.

You may add a drop screen on awnings up to 11'-8" projection.

Flex-pitch shoulder gives control for projections up to 13'-2" through the use of a hand crank.

Installation options include roof mount brackets and WeatherGuard™ hood.

IT'S ALL ABOUT YOU!

The 8700 Retractable Patio Awning is an elegant way to provide shade on demand, reducing cooling costs while protecting your family from harmful UV rays. Nulmage Awnings combines state-of-the-art technology and superior quality engineering. All frame components have an electrostatic powder coated durable finish to prevent chipping and cracking. You can depend on Nulmage Awnings when only the best will do.
